# NATIONAL INSURANCE PROGRAM

Welcome to the Karting Australia National Insurance Program. We are delighted to provide the following information to assist you with your karting operations and management of karting activities throughout the year.

## What is the National Insurance Program

The Karting Australia National Insurance Program (the Program) is made up of a range of insurance and risk protection initiatives. The Program is made up of two (2) key policies:

- - **Public and Products Liability (including Professional Indemnity) Insurance**
- - **Personal Accident/Injury Insurance**

## What does our insurance handbook and web site provide

Arthur J. Gallagher believes access to information is important when it comes to insurance and risk protection. We are pleased to provide all KA members to important information via our Karting-specific web site and handbook.

The web site is updated throughout the year to ensure you have access to the latest information, articles and policy details. The handbook can be downloaded as a single file so you can distribute it to your members or discuss it at committee meetings.

Alternatively, we have created individual summary documents for certain sections of the Program, so you can easily locate and distribute the information as you need.

## Additional services provided by AJG to KA members

In addition to the National Insurance Program and associated information and resources, Arthur J. Gallagher will be supporting Karting Australia through the development and implementation of certain Risk Management Initiatives. More information will be communicated via our web site and handbook updates throughout each year.

## Additional insurance options for KA members

Whilst we provide Karting Australia members with a National Insurance Program including Public Liability, Professional Indemnity and Personal Accident Insurance, we also offer a broad range of additional insurance options for KA members to access upon request.

Additional insurance available\* for clubs and individuals may include:

- Directors and Officers Insurance
- - Kart and Trailer cover
- - Club/Track property insurance
- - Liability insurance for Non-Karting activities
- - Life and Trauma Insurance

*\* Please note, the above products are not exhaustive and are not included as part of the National Insurance Program. Karting members should carefully review their individual circumstances and seek advice regarding risk protection and insurance options.*
